All,

We are scheduled to have our next bi-weekly meeting with Assistant Secretaries and Directors this Wednesday at 9:30. I will need everyone's completed slides to me by tomorrow at 3:00pm. If you are out of town or for some reason will not be attending, you are still responsible to ensure that your slides are completed, and someone from your hallway is able to present them.

Let me know if you have any questions, and attached are the slides from the previous briefing.

Best,
Aaron
